COSTA MESA HIGH SCHOOL BASEBALL FACILITY & FIELD IMPROVEMENTS

The Costa Mesa High School Baseball Program is launching its 2024/2025 season. Our mission is to produce players who successfully compete by incorporating strong academics, first-rate facilities, good citizenship, respect for the game, quality coaching, baseball knowledge and skill, and strong parental/community support.

When you become a sponsor, you are strengthening our community and helping our young athletes learn the value of hard work, teamwork, and sense of community. Your sponsorship helps us to instill these important qualities in our players.

Please consider the following tax-deductible donation.

HELP US MAINTAIN OUR OUTSTANDING PLAYING FIELDS

Our baseball program is on a journey of excellence, including achieving League Champions in 2024! We are pushing for more. Our community takes great pride in our baseball fields with dedicated volunteers spending countless hours improving and maintaining them

Help us continue to have the best fields in OC. We need tools and equipment to maintain our fields and give our players the space to improve their skills and performance on the field. Here's a glimpse of what we need:

- **Field Covers:** Quality covers to protect home plate and pitching mound areas from rain and irrigations.
 - JV and Varsity fields
 - \$4500 estimated cost
- **Field Equipment/Tools**
 - **Field Rakes (2):** Keeps our infield looking sharp!
 - **Cocoa Mats (2):** Used to drag the infield dirt.
 - **Hula Hoes(3):** You won't be seeing any weeds on our fields once we put these to work.
 - **100' Hoses (2):** Used for spraying down the fields (and maybe one water fight!).
 - \$2,500 estimated cost

To make this vision a reality, we are seeking your support. Our goal is to raise \$7,000 to cover the total cost of these items.

Your generous contribution will provide our players with an amazing playing space to excel and take pride in.

FIELD COVERS - \$4,500

FIELD EQUIPMENT/TOOLS - \$2,500

- 1 Banner (5'8"x 15') displayed on the **outfield fence**
- Special Invitation to our opening game
- Special first pitch at a home game + Hat, team photo and signed team bat + ball
- Social Media Exposure on Facebook and Instagram
- Listing on Mustang Sponsor website for the 2024/2025 school year with a link to your existing website
- Honorable mention at our annual awards banquet and ceremony

The Costa Mesa Baseball Boosters is a nonprofit organization dedicated exclusively to support Costa Mesa High School baseball.
